

Hafsanur Sancaktutan

BIOGRAPHY

Hafsanur Sancaktutan, born in 2000, started her acting career after high school by receiving acting training and performing in theatre plays. She gained recognition for her portrayal of the character Fidan in the 2018 TV series *Gülperi*, and later took the lead role in *Aşk Ağlatır*. Her performance in *Son Yaz* earned her a wider audience. In 2021, Sancaktutan won consecutive Best Breakthrough Actress awards. She again garnered attention with her role in the Disney Plus series *Dünyayla Benim Aramda*. In the lead role of *Ya Çok Seversen*, she won the Best Romantic Comedy Actress award at the 49th Golden Butterfly Awards. As a sought-after face for both local and international brands, Sancaktutan is currently starring as Melek in the Show TV series *Siyah Kalp*, where she continues to captivate audiences with her performance.
